BLESSING FOR A CHURCH

By James Dillet Freeman

This is God's house.
May we who come here not only find out about
God, but find God.
May there be beauty in this place, but especially
may it be a place
where men and women become aware
of the beauty in themselves.
May this be a place of worship.
May this be a place of instruction.
May this be a place of singing.
May this be a place of prayer.
But for us who worship and take instruction and
sing and pray, may this always be a place of
inner stillness, where we may listen

and hear when God speaks.

May whoever ministers here minister in love.

May whoever teaches here teach truth.

May whoever serves here serve pleasantly.

May everyone come into this house in
expectation and go with thanksgiving,
and may anyone who comes needing help
go feeling blessed.

May this be such a house that Jesus Christ – or
any stranger, even one of the least – would feel
in it that He was with friends. Amen

ISA SPIRITUALIST PRINCIPLES

1. We believe in Infinite Intelligence

[*We believe in God*]

2. We believe that the phenomena of nature,
both physical and Spiritual, are the expression
of Infinite Intelligence.

[*We believe that God is expressed through all Nature*]

3. We affirm that a correct understanding of
such expression, and living in accordance
therewith constitute true Religion.

[*True religion is living in obedience to Nature's Laws*]

4. We affirm that the existence and personal
identity of the individual continue after the
change called death.

[*We Never die*]

5. We affirm that communication with the so-
called dead is a fact, scientifically proven by
the phenomena of Spiritualism.

[*Spiritualism proves that we can talk with people of the
Spirit World*]

6. We believe that the highest morality is
contained in the Golden Rule, "Whatsoever you
would, that others should do unto you, do you
likewise unto them."

[*Be kind, do good, and others will do likewise*]

7. We affirm the moral responsibility of the
individual, and that he makes his own
happiness or unhappiness, as he obeys or
disobeys nature's physical and spiritual laws.

[*We bring unhappiness to ourselves by the errors we make
and we will be happy if we obey the laws of life*]

8. We affirm that the doorway to reformation is
never closed against any soul here or hereafter.

[*Everyday is a new beginning*]

9. We affirm that the precepts of prophesy
contained in the Bible are scientifically proven
through Mediumship.

[*God speaks to man through man in the past,
present and future*]

MEDITATION & HEALING SERVICE

HEALING PRAYER

I ask the great unseen healing force to remove all
obstructions from my mind and body,

and to restore me to perfect health

I ask this in all sincerity and honesty,
and I will do my part

I ask this great unseen healing force to help both
present and absent ones,

who are in need of help

And to restore them to perfect health,

I put my trust in the love and power of God

Amen

SPIRIT MESSAGES

(Through our Mediums with your permission)

7 SPIRITS OF GOD AFFIRMATION

from the "Book Of Co-Creation" by Barbara Marx Hubbard

I AM Love.

I love God above all else, my neighbor as myself, and myself as a natural Christ.

I AM Wisdom.

I recognize what is breaking through from what is breaking down. I identify with what is breaking through, I release what is breaking down.

I AM Faith.

I know there is a perfect design of Creation. Each of us is a vital element of that design. I know that I am acting in perfect harmony with that design.

I AM Courage.

I know that I am not working alone. I am surrounded by mighty companions, on this earth and in the universe beyond. Together we work towards inevitable victory.

I AM Patience.

The timing is not in my hands. I live in eternity, but I act in the present. I am totally fulfilled. I surrender all need to know the timing, and I act in total joy.

I AM Power.

To the degree that I empower others, I am now empowered.

I AM Surrender.

Not my will but thine be done, in earth as it is in heaven.
