1. Greetings/ prayer

May God
Who in the mystery of his vision and power,
transforms his white radiance into his many-colored creation,
from whom all things come and into whom they all return,
grant us the grace of pure vision. Amen.

b. Healing prayer

Like the man weak and old
Who was sick and was told,
Take thy bed, rise and walk, you are whole.
God will help us today
In the same loving way
Faith in God
Brings us blessings untold
God is healing us now
With his infinite power
We can feel Jesus presence by us
What a wonderful peace,
That God's love brings to us
We are whole and free. Amen
